

EMBASSY OF DRALLENOR

Office of the Deputy Chief of Mission - Washington, DC

Letter from Deputy Chief of Mission R. Antonescu

Dear Colleague,

On behalf of Ambassador Elena Marchetti, I am writing to request a brief meeting to discuss recent developments in regional security policy across the Kestrel Peninsula. Your recent published analysis was brought to the Ambassador's attention and she would welcome the opportunity to hear your perspective directly.

Would you be available for a short call or meeting at the Embassy in the coming weeks? Please let us know a few windows that would work on your end and we will coordinate accordingly.

Warm regards,

R. Antonescu

Deputy Chief of Mission, Embassy of Drallenor
